## II-ACADEMICS

### II-1 ACADEMIC ELIGIBILITY

1. Students must maintain a passing grade in at least six (6) subjects of unit weight.
2. Academic eligibility is determined on a weekly basis starting the third week of each school semester.
3. If a student is failing one (1) class in a given week, he/she will be placed on a one-week warning running from the upcoming Sunday through Saturday.
4. If a student is failing two (2) or more classes in a given week, he/she will be placed on one-week probation running from the upcoming Sunday through Saturday.
5. If the same student is failing (2) or more classes the week following the probationary period, he/she will be academically ineligible and will not be able to participate for a one-week period running from the upcoming Sunday through Saturday.
6. Warning period, Probation period & Ineligible period requirements:
  - a. The student will spend 30 minutes/day outside of school working on the classes he/she is failing. This shall be done before school (0-Hour) or after school (8th-Hour).
7. During the Warning Period and Probationary Period, the student **will** be allowed to do the following as long as he/she meets the probation requirements listed in (6) above:
  - a. practice/rehearse in activities.
  - b. compete in activities.
  - c. attend home games/performances.
  - d. perform in performances.
  - e. attend dances.
  - f. ride school transportation to away activities.
8. Ineligible students **will not** be allowed to participate in any district activities that occur outside the normal school day. This includes, but is not limited to:
  - a. athletic practices and games.
  - b. rehearsals and performances.
  - c. dances.
  - d. bus trips.
  - e. field trips.
9. Any student who does not pass six (6) units or more at the end of a semester will not be eligible for the entire next semester.

### II-2 CLASS LOAD

Students are expected to enroll in seven (7) class periods at Kiowa County High School or in an approved off-campus program. Occasionally, the counselor and principal may approve exceptions.

### II-3 DROPPING/CHANGING CLASSES

In order for a student to drop or change a class, it is necessary to obtain a transfer slip from the counselor's office. This transfer slip must be signed by a parent as well as any teacher involved in the change or drop. Completed transfer slips should be turned into the office. The deadline for class change forms will be set by the office. Classes dropped after the deadline will carry a permanent grade of "F" unless special circumstances warrant.

### II-4 GUIDELINES FOR COLLEGE COURSE ENROLLMENT FOR HIGH SCHOOL CREDIT

Unified School District No. 422 and Kiowa County High School ("KCHS") permit Kiowa County High School students to enroll in academic classes offered by Kansas postsecondary institutions. The opportunity to enroll in a college class is a privilege and is subject to the agreement of both the student and the student's parent or legal guardian with the provisions set forth below:

1. KCHS Senior & Junior students may enroll in college classes only if they are approved to take a college class by the KCHS counselor and/or principal.
2. KCHS Sophomore students may only enroll in college classes if they meet the following criteria:
  - a. The student may not have received a grade lower than a C in the semester prior to their enrollment in the college class.
  - b. The student must have a GPA on file of at least 3.333 or higher.
3. Students and parents understand that college classes are college-level academic classes taught by college faculty and that students are expected to adhere to college faculty expectations and academic standards which may be more rigorous than those applied in high school classes. Students who enroll in college classes must be prepared to devote such time and effort as may be required to satisfy college course requirements and academic standards.
4. It is the student's responsibility to be proactive in learning to use the technology associated with the class and to obtain assignments.
5. Grades earned by KCHS students enrolled in college classes during the school day for high school credit will be placed on the student's high school transcript without exceptions or modifications. Students taking college courses outside the regular

school day for high school credit must have prior approval from the KCHS counselor for it to be included on the high school transcript.

6. KCHS students enrolled in a college class may withdraw from the college class only within the first two weeks from when the class begins for any online college course, regardless of the length of the course. Withdrawal after such two week period will result in the student receiving an assigned grade of "F" for the college class on the high school transcript.
7. If a KCHS student enrolls in a college class and later withdraws from the college class, the student must report to the student's KCHS Counselor for assignment to another KCHS class.
8. Students and/or parents/guardians are responsible for all tuition & fees, textbooks, and other costs associated with the college class.
9. KCHS does not have access to grades for online classes during the semester. Parents may view the student's grade at any time by having their student log-in to the college's online portal. Students are responsible for sharing their grades with the HS Counselor as requested.

## II-5 GRADE CARDS & REPORTS

At the end of each nine-week grading period, grade cards will be mailed in a timely fashion to parents or given out during parent-teacher conferences (after 1<sup>st</sup> Nine-Weeks). Grades may be held for students who have outstanding charges due to the school.

Eligibility reports will be calculated each week after the 3rd week of each Semester. If a student is on Probation or Ineligible, a letter will be mailed to parents with notification.

Progress reports will be mailed after Week Five (5) of each Nine-Week period. Teachers may also send them at any other time during the grading period.

## II-6 GRADING SYSTEM

Kiowa County High School will use the following grading system (adopted as Board Policy on June 27, 2018). The 4.0 grading scale will be used to compute grade point averages. All grades reported on grade cards will be listed as percentage grades.

A	90-100	4.0
B	80-89	3.0
C	70-79	2.0
D	60-69	1.0
F	Below 60	0

The school year will be divided into two semesters. Students will be granted one-half unit of credit for each successfully completed course during each semester. At the end of the first and third nine weeks a percentage grade report will be mailed to parents. These reports will indicate student progress, but not credits or grade point averages.

Final reports will be mailed to parents at the end of each semester. This report will show final percent's, semester grade point percent, high school accumulated grade point average, and a report of absences. When special circumstances arise, an incomplete grade may be given. All incomplete grades must be made up within five days after the semester. Any incomplete not made up by this time will need office approval to avoid a grade of "F".

## II-7 EARLY GRADUATION

Any student requesting to graduate early will need to sign out of Kiowa County High School and enroll in the 21st Century Learning Academy. After signing out, they will follow the 21st Century Learning Academy guidelines in order to receive their diploma. The student will no longer be eligible to participate in any KCHS activities. (2-10-2015)

## II-8 HONOR ROLL

Kiowa County High School will maintain a semester honor roll for each semester. Students who fail to make up their incompletes in the allotted time (five days after the semester) will not be eligible for the honor roll that semester. Special circumstances will be taken into account by the principal, counselor, and teacher.

- Superintendent's Honor Roll: 4.00 (students making all A's).
- Principal's Honor Roll: 3.70-3.99 with students making all A's & B's.

*Any student who makes one of the two honor rolls for the last two semesters (1st semester for Freshmen) will receive a bar and certificate.*

## **II-9 PASS/FAIL CREDIT**

Any junior or senior student may enroll in one course each semester to be graded on a pass/fail basis. This grade will not be included in the grade point average used in determining honor rolls. The five rules listed below will be followed when applying for enrollment in a pass/fail course:

1. Core classes needed for graduation requirements may not be taken pass/fail.
2. Only one course per semester may be taken pass/fail unless approved by the building administrator and counselor.
3. Approval for pass/fail courses must be completed by the last date for class changes in each semester.
4. Valedictorian and salutatorian candidates may not take a course pass/fail unless the class is only offered pass/fail and is approved by the building administrator and counselor.
5. The building principal has final say regarding all approvals.

## **II-10 PLAGIARISM & ACADEMIC DISHONESTY**

Academic dishonesty is not acceptable. Cheating, defined as copying another student's work and claiming it as your own, and plagiarism, defined as the use of another person's original ideas or writing without giving credit to the true author, are both prohibited practices. Materials taken from electronic sources are covered by this policy. A student who engages in any form of academic dishonesty will be subject to the loss of credit for the work in question. Other disciplinary actions may also be taken.

## **II-11 REQUIREMENTS FOR GRADUATION**

The School Board of USD 422 requires that each student successfully complete a minimum of 24 units of credit. These 24 required units shall include the following:

- Four units of English Language Arts
- Three units of Social Studies, which shall include:
  - American History (1 unit)
  - United States Government (1 unit)
- Three units of Science, which shall include:
  - Biology (1 unit)
  - Physical Science (1 unit)
- Three units of Mathematics, which shall include:
  - Successful completion of Algebra I outcomes (Algebra I completed prior to 9th grade fulfills this requirement, but does not satisfy one of the three required math credits.)
- One unit of Health and Physical Ed.
- One-half unit of Speech
- One-half unit of Digital Applications I
- One unit of Fine Arts

**Any student not meeting the minimum requirements for graduation shall not participate in graduation ceremonies.**

## **II-12 SEMESTER FINALS**

Semester final percentages will be at the teacher's discretion, but they may not affect a student's semester grade more than one letter grade.

## **II-13 21<sup>ST</sup> CENTURY LEARNING ACADEMY CLASSES**

Students may only take a core class from the 21<sup>st</sup> Century Learning Academy when a scheduling conflict exists. The building administrator and counselor will determine this on a case by case basis.

## **II-14 CREDIT RECOVERY**

Students who fail a course at KCHS during the school year have the option to make-up the credit through the 21<sup>st</sup> Century Learning Academy (CLA). For these courses, per 21<sup>st</sup> CLA guidelines, students must pay the fee prior to enrollment in these courses. Students who do not complete the 21<sup>st</sup> CLA enrollment by the end of the class change window at the start of a semester will be responsible for fulfilling the course credit outside of the school day. Exemptions will be determined on a case-by-case basis.

## **II-15 VALEDICTORIAN/SALUTATORIAN**

In addition to meeting the general graduation requirements set forth by the Board of Education, all valedictorian and salutatorian candidates, Governor's Scholars Program nominees and Kansas Honor Scholars Program must meet the following criteria:

1. To be eligible for Val/Sal students must have completed these courses:
  - a. English: I, II, III, IV
  - b. Social Studies: Geography/World History, American History, Government
  - c. 3 Science from the following: Biology, Physical Science, Chemistry, A&P, Physics
  - d. 3 Math from the following: Algebra, Algebra II, Geometry, or other Advanced Math.
2. Valedictorian and salutatorian candidates may not take a course pass/fail unless the class is only offered pass/fail and is approved by the building administrator and counselor.

3. Transfer students are eligible for valedictorian and salutatorian awards only if they are in attendance at Kiowa County High School during their entire Senior year.
4. Selection of valedictorian and salutatorian will be made Monday, May 8, 2023 at 4:00pm.

## III-ATTENDANCE

Regular attendance is an important part of education. Only by attending classes can a student receive the full benefit of instruction. Class participation is one of the areas of student performance used to determine grades. Students are expected to attend all classes every day. The primary responsibility for good attendance rests with the student and parent. School officials determine what constitutes an excusable absence. A call from parents does not guarantee the student will be excused. School administration has the authority to establish school procedures which promote good attendance.

### III-1 ABSENCES

In the event a student is absent from school, the parents/guardians should call the high school office between the hours of 7:30am-8:30am. All absences which are not confirmed by a parent are considered to be unexcused. However, contact with a parent does not ensure the absence to be excused. A student is presumed to be unexcused until his/her parent/guardian notifies the school. After three (3) days, an unexcused absence will not be changed to excused, which will result in one (1) day of in-school suspension (ISS) for each unexcused absence. (See Section III-5)

It is the responsibility of the student to obtain make-up work from their teachers. Students who have been absent must obtain a make-up slip in the office prior to school on the day they return. Students will not be allowed to leave class to obtain a make-up slip. Obtaining a make-up slip will not be an excuse for a tardy. Students should then present this slip to each teacher for make-up work.

Failure to obtain a make-up slip will result in the absence being considered unexcused. Make-up work not turned in will be recorded as a "0". Work that was assigned before the absence will be due upon the day the student returns.

Students may lose eligibility for course credit if classified absent in a class in excess of eight (8) periods each semester. This does not include school-sponsored activities. A written notification letter will be sent to the parent at three (3) absences. A letter requesting a conference will be sent at five (5) absences. Students who lose eligibility for course credits by exceeding the allotment of eight (8) absences a semester may be asked to appeal to an Attendance Committee (Principal, Counselor, and the student's teachers) to discuss reinstatement of credit eligibility. Situations that may warrant the reinstatement of credit are described below:

1. Prolonged or serious illness or under a doctor's care.
2. Out-of-town doctor appointments or legal obligations.
3. Out-of-town educational trips approved prior to the trip.
4. Unavoidable hardships or family crises.

Students with excessive absences, who do not meet any of the above criteria, may choose to make up excessive absence time on an hour-for-hour basis in Saturday School sessions and/or at other alternate attendance times when approved by administration.

### III-2 ATTENDANCE APPEALS PROCEDURE

Exceptions to attendance policies must have the approval of the principal and/or Attendance Committee. Students missing more than eight (8) days must make an attendance appeal before credits can/will be given. All absences after the eighth (8th) absence must be excused as defined in the "Excused Absence" section and an excuse for the absence must be on file with the office. All attendance appeals must be made at least seven (7) calendar days before the end of the semester.

### III-3 COLLEGE VISITATION

College visitation days are limited to seniors and juniors and can be arranged through the high school counselor's office. A College Visitation Permission Form must be approved before going on a college visitation. Each senior or junior is allowed two (2) college visitation days but may take additional days if he/she is accompanied by his/her parents.

### III-4 EXCUSED ABSENCES

Excused absences may be made up by the student. Although the teacher will assign make-up work, it is the responsibility of the student to see that it is done. The student will have two days for each absent day to make up all assignments.

The definition of "excused absence" includes the following: personal illness; health-related treatment, examination, or recuperation; serious illness or death of a member of the family; hazardous conditions; voting; legal/court appearance; obligatory religious observances; participation in a district-approved or school sponsored activity; absences pre-arranged by parents and approved in advance by the principal; 2 college visitations with prior approval from the HS counselor; and visitations and other absences relative to leave or deployment of a student's active-duty-military parent, at the discretion of the principal.

If a student has been to the doctor, a note from the doctor written on the **doctor's stationery** is required. Failure to provide a doctor's note will result in an unexcused absence.

School attendance is required for participation in extracurricular activities. To be eligible for practice, rehearsal, game, or performance, students must be in attendance at school by 12:00pm on any school day. Students who are absent from afternoon classes due to illness

will not be allowed to attend school events as a spectator that day or night, unless special arrangements have been made with the administration prior to that day's events.

### **III-5 UNEXCUSED ABSENCES**

Unexcused absences are given when the cause of absence is not acceptable by the office. Examples of unexcused absences are “skip days,” oversleeping, haircuts, working for hire, leaving the school without permission, or if the proper procedure for an excused absence (period or day) was not followed. Unexcused absences will be made up with a one-hour detention for each class period missed. A student missing over 4 class periods in the same day will be assigned one (1) day of ISS. A student who accumulates more than three (3) days of unexcused absences will require more serious punishment such as Saturday School (SS) or out-of-school suspension (OSS).

### **III-6 PERMIT TO LEAVE THE BUILDING**

No student will leave the school grounds during school hours without permission from the office or being accompanied by a teacher or staff member. Any student checking out of school during the day is required to have parental permission in the form of a note or a phone call from their parents before they will be allowed to check-out. Students are required to sign the check-out sheet in the office to be excused to leave the building. Any student who leaves the school without checking out will be unexcused. Students are required to sign the check-in sheet in the office upon returning to school.

### **III-7 PLANNED ABSENCE**

Many times, an absence is known in advance. Examples of planned absences are medical appointments, family trips with parents, work for family, college visitation, and religious activities. All planned absences are excused if approved by the office prior to the absence. Students who know in advance that they are going to be absent should go to the high school office and pick up a planned absence form. This form should be signed by each teacher and returned to the office. Whenever possible, all homework should be made up before the day of absence.

### **III-8 POWERSCHOOL**

KCHS students and parents can access their grades via the Internet by using the PowerSchool program. You will be given your login and password sometime at the beginning of the school year. Please do not lose this information. In addition, it is important that you keep this login and password confidential, as it is only as secure as you allow it to be. Please check this regularly for grades and announcements. It is a very powerful program that allows you to see instantaneously where you are academically and gain access to other important information.

### **III-9 TARDY POLICY**

Students are expected to arrive at every class on time with the necessary classroom materials. A student is considered tardy if he/she is not in the classroom at the bell. A student who is more than ten (10) minutes late to class will have an unexcused absence (one hour of detention). Students who are tardy to First (1st) Period must check-in through the office. Tardiness for the remainder of the school day will be handled by the individual classroom teachers. Excused tardies will be issued when a student is in conference with another teacher and contact is made from teacher to teacher or when a bus student is delayed because of weather or bus problems.

The tardy policy progression for each class per semester is as follows:

- 1<sup>st</sup> tardy: Warning
- 2<sup>nd</sup> tardy: 30-minute detention
- 3<sup>rd</sup> tardy: 30-minute detention
- 4<sup>th</sup> tardy: 60-minute detention
- 5<sup>th</sup> tardy: Saturday School (7:30am-12:00pm, served within 2 Saturdays). The 5<sup>th</sup> tardy will result in a meeting with the student & parents in order to create a Tardy Contract.
- Students who have progressed through all five steps in the tardy policy progression may also be subject to losing student privileges.

### **III-10 TRUANCIES**

Unexcused absences may evolve into truancy under the Statutes of the State of Kansas. With certain limited exceptions, every student between the ages of 7 to 18 is required by law to attend school. If a student is absent from school without a valid excuse either all or a significant part of a day three (3) consecutive days, five (5) or more days in any one semester, or seven (7) days in a school year, he/she is truant and will be reported to the county attorney. “A significant part of the day” is defined as four or more class periods. All cases of truancy must be reported to the appropriate statutory authorities. Kansas law 72-1113 allows police officers to take a student found off school grounds during the school day into custody and directs the officer to deliver the student to the school. In such occurrences, the school administrator will personally contact the parent.

## IV-STUDENT CONDUCT/DISCIPLINE

In Kansas a school district is vested with the authority to suspend or expel a student by statute. The law (K.S.A. 72 - 8901) authorizes suspension or expulsion for the following reasons:

- Willful violation of any published regulations for student conduct adopted or approved by the board of education;
- Conduct which substantially disrupts, impedes, or interferes with the operation of the school;
- Conduct which endangers the safety of others at school, on school property, or at a school supervised activity;
- Conduct which substantially impinges upon or invades the rights of others at school, on school property, or at a school supervised activity;
- Conduct which would constitute the commission of a felony by an adult under state law;
- Conduct which would constitute the commission of a misdemeanor by an adult under state law, but only if such conduct occurs at school, on school property, or at a school supervised activity;
- Disobedience of an order of a teacher or other school authority when such disobedience can reasonably be anticipated to result in disorder, disruption or interference with school operation;
- Disobedience of an order of a teacher or other school authority when such disobedience can reasonably be anticipated to result in substantial and material impingement upon or invasion of the rights of others;
- The district shall cooperate with law enforcement in security matters and shall, as required by law, report criminal acts committed at school, on school property or at school-sponsored events.

### **IV-1 DISCIPLINE PROCEDURES**

Any act which violates any student's right to an education will not be tolerated at Kiowa County High School. Disobeying the orders of teachers or other school officials may be grounds for student suspension or expulsion. This insubordination generally involves the willful refusal to obey reasonable directives. When a student repeatedly disobeys a reasonable directive, the student will be suspended or expelled.

Disciplinary action will also be taken for the following offenses: repeated violation of school rules or regulations, intimidation of students or any school personnel, obscenity, destruction or damage to school property, weapons, offensive language, stealing or possession of stolen property, threats (by word or deed), smoking and/or tobacco use on school grounds or at school activities, fighting, fireworks, littering, pushing, shoving, and running in the halls. This list is not all-inclusive, nor is it intended to be. It is impossible to list every infraction that may occur; however, any misconduct on the part of a student may result in a suspension.

Teachers are responsible for discipline in the classroom and will make their policies available to all students. Any problem which cannot be solved immediately should be referred to the office for further attention.

### **IV-2 DETENTION**

The office or classroom teacher will occasionally assign detention time as a method of correcting unacceptable behavior. The amount of detention time given is at the discretion of the principal or classroom teacher. Practice or work does not take precedence of a detention.

Detentions will be a minimum of thirty (30) minutes. Failure to serve within a reasonable time period will result in further disciplinary action. Students with more than one detention will serve consecutively or be subject to further disciplinary action.

Students will report to detention with all materials (schoolwork or a library book) needed. Students will be on task during the detention time. Failure to do so will result in further disciplinary action being taken. The chronic accrual of detentions will result in a progressive discipline system.

In a semester, after receiving five (5) detentions, students will be assigned to a Saturday School Session (SSS), 7:30am-12:00pm. Any student receiving their sixth (6<sup>th</sup>) and seventh (7<sup>th</sup>) detentions will receive one (1) day of in-school suspension (ISS) and any student receiving their eighth (8<sup>th</sup>) and ninth (9<sup>th</sup>) detention will receive three (3) days ISS. The tenth (10<sup>th</sup>) detention in a semester will result in three (3) days of out-of-school suspension and may cause recommendation for a long-term suspension.

### **IV-3 EXPULSION/LONG-TERM SUSPENSION**

A student that has been expelled or is put on long term suspension may not enter the school building, be on school property, or attend school activities. A student will receive a zero or its equivalent for the class work they missed during the time they were expelled or suspended. Any student being expelled or put on long term suspension is entitled to a due process hearing in accordance with district policy.

#### **IV-4 IN-SCHOOL SUSPENSION (ISS)**

In some situations, a student may be placed in In-School Suspension (ISS). ISS is an alternative to removing students from the school setting because of behavioral problems or violation of certain school rules. This type of suspension may be used when it is apparent that detentions have not corrected a student's behavior, or where the severity of the misbehavior demands its use. ISS may range from one (1) to three (3) days.

The school day for an ISS student runs the duration of the school day. Only basic school materials will be allowed in the ISS room (no iPods, cell phones, etc.). The intent of ISS is to discourage inappropriate behavior. To impress this intent, students may or may not be allowed to do any schoolwork or other activities while in ISS. Their activity may be restricted to sitting in isolation for the duration of the ISS or writing sentences. Students will be expected to complete all work assigned to them before returning to class. Assignments must be turned-in to the teacher or office staff by the assigned due-date in order to get full credit. Absence from ISS due to illness or other emergency reasons will not relieve the student from fulfilling their required time.

Students who are under ISS may not participate in extracurricular activities during the time of their suspension.

#### **IV-5 OUT-OF-SCHOOL SUSPENSION (OSS)**

When the circumstances warrant, a student may be suspended Out-of-School (OSS). A suspension may be short-term (up to 5 days) or long-term (exceeding 5 days). Students will be allowed to make up all work during OSS. However, no credit will be given, with the exception of tests. Students will lose 15% on tests given while the student has OSS. When a student has received OSS, he/she may not be on school property or attend any school activities during the time of their suspension. Any violation of this will be considered a separate infraction of the rules and additional disciplinary action will be taken. The suspended student may be required to meet with the principal and/or counselor before being admitted back into school. Parents/guardians may be required to attend.

#### **IV-6 SATURDAY SCHOOL SESSION (SSS)**

A student may be assigned a Saturday School Session as a disciplinary alternative. This session will be held from 7:30am to 12:00pm and detention rules will be in effect. The student may not participate in extracurricular activities during the time of their Saturday School session. Failure to attend will result in ineligibility for the upcoming week (Saturday-Saturday) as well as further disciplinary action.

This is in accordance with USD 42 BOE policy JCDA.

In order to maintain a healthy body necessary to be involved in any activity program, it is absolutely necessary for you to stay away from alcohol, drugs, and tobacco. A student involved in activities must be a bona fide student according to Rule 14 (Sections 1-2) of KSHSAA bylaws.

### V-3 BREAKFAST/LUNCH PROGRAM

School breakfast and lunch will be served daily in the school cafeteria. The computerized lunch accounting system will not allow a student to charge lunches. When your child is out of paid lunches they will be required to bring a sack lunch or an alternative meal will be provided.

A lunch count will be taken each day during the first period. Indicate to your teacher whether or not you plan to eat the school lunch for that day. Please honor your commitment since the amount of food prepared each day will depend upon this lunch count.

The USD 422 Board of Education has made the decision to close the lunch period for the 2017-18 school year. As always, students have the option of eating the school lunch or bringing a “sack” lunch. All lunches are expected to be eaten in the cafeteria.

## **V-8 COMPUTER/NOTEBOOK STUDENT LOAN AGREEMENT**

Providing notebook computers for instructional use by USD 422 students is an exciting venture. Students will not be allowed computer or internet privileges until the usage fee has been paid and the Acceptable Use Policy for USD 422 has been signed by the student, parent/guardian, and is on file at the high school.

Certain guidelines are necessary to protect the notebook computer and the school network and ensure that this technology serves as an effective instructional tool. Students and their parents/guardians must agree to the following:

1. The student agrees to follow all USD 422 regulations and policies governing the use of the computer as well as all applicable State and Federal laws including copyright and intellectual property law pertaining to software and information.
2. This equipment is the property of Kiowa County Public Schools, USD 422, Greensburg, KS and is herewith being loaned to the student for educational purposes only for the Academic School year. The student may not deface or destroy this property in any way. Inappropriate material on the machine may result in the student losing their right to use this computer.
3. The student will have a computer checked out at enrollment in August when necessary fees have been paid. The computer will be checked in on the last day of school in May.
4. The computer is the property of USD 422. If a student withdraws from school prior to the end of the loan period, the notebook computer is to be returned to school officials by the student prior to withdrawal.
5. Notebook computers not returned in an appropriate manner will be filed as missing and turned over to the proper authorities as theft.
6. The student shall not remove or alter any USD 422 identification labels attached to or displayed on the computer, nor shall the student change identification within the computer, such as the computer name.
7. The student agrees to handle the computer carefully and protect it from potential sources of damage.
8. The student will assume the risk of loss by theft, destruction, or damage. If, during the loan period, the computer is damaged or returned with any accessories missing, USD 422 may charge the student the lesser of the repair or the \$50 insurance deductible. If the notebook computer is stolen or vandalized, the insurance will cover all but the deductible, providing that a police report is filed on the incident. By signing the loan agreement, the parent/guardian agrees to be responsible for the insurance deductible for each occurrence involving loss/damage to the notebook computer, or the cost of repair for such damage, while in the student's possession. Any computer reported stolen without filing a police report will result in payment of the full replacement cost of the computer which, at this time, is \$300.
9. The student must report theft (or suspect theft) of the computer, loss of the computer, damage to the computer, or malfunctioning of the computer to school personnel immediately.
10. The student and parent agree to indemnify USD 422 against any claim, suit, or damage occurring during or resulting from student's possession or use of the computer, including, but not limited to any claim for infringement or violation of applicable trademarks and copyrights attributable to the student's use of the District's computer.
11. Upon request, the student agrees to deliver the computer to USD 422 staff for technical inspection or to verify inventory or other information; this may include random screening.
12. USD 422 is not liable for lost data or time spent on data.

## **V-9 DESTRUCTION OF SCHOOL PROPERTY/VANDALISM**

Respect of public property should be developed and promoted in schools. School pride is encouraged in students by having them share in the school's upkeep. Students who damage or destroy school property will be required to make restitution and may be reported to the police. Reasonable damage will be assessed based on consideration of the nature and extent of the damage, the cost of repair, and the circumstances surrounding the incident in which it occurred. Information concerning the cost and value of the school property involved will be given to the student and his/her parents.

## **V-10 ELECTRONIC IMAGES/PHOTOGRAPHS**

Other authorities will be called if the situation warrants.

All fees must be paid, all books and equipment must be checked-in, and all work completed before grades are sent, diplomas are handed to seniors, or transcripts are released by the office.

## VI-STUDENT ACTIVITIES/ORGANIZATIONS

KCHS students have the opportunity to participate in interscholastic activities including co-curricular and extracurricular activities. We encourage every student to take full advantage of this opportunity.

### **VI-1 STUDENT ACTIVITIES**

Students may form clubs and other groups organized to promote or pursue specialized activities outside the regular classroom. Membership in student organizations, whether school sponsored or non-school sponsored, must be open to all interested and eligible students. The building principal and the board shall approve school sponsored student organizations, and a staff member shall attend the meetings or activities to supervise use of the facilities by all student organizations as an advisor or supervisor.

#### Eligibility for Activities

Students who participate in any school activity shall meet the following requirements:

- all applicable KSHSAA regulations.
- academic eligibility requirements noted in handbooks; and
- other requirements requested by the administration and approved by the board.

#### Scheduling Conflicts

- If the student activity is opposite a KSHSAA (festival, district, bi-district, regional, substate, and state) or SPIAA (meets and tournaments) event, the team activity takes precedence. An exemption may be issued for a non-varsity player.

### **VI-2 ACTIVITY TRANSPORTATION**

Transportation will be provided by the district for all extra-class activities. Students are prohibited from driving personal automobiles to district sponsored activities held during the school day. Students must observe the rules and regulations set forth by USD 422. Guidelines for bus/school vehicle riders are found under "Transportation Rules" in this handbook.

There are many advantages to be gained from the association the students and sponsors have in going to and from events.

1. All team and organization members will be expected to ride the transportation provided by the school district.
2. No coach or sponsor will release a student from school transportation unless directly released to the parents.
3. Any exception to the above policies must be approved at least one (1) day in advance by the principal and the coach/sponsor.
4. Any student not following the transportation rules may be subject to a one (1) game (activity) suspension.

### **VI-3 ATTENDANCE & ACTIVITY PARTICIPATION**

School attendance is required for participation in extracurricular activities. If a student is in an activity, s/he must be in attendance at school by 8:05am on the day after a game/activity to be eligible for practice, rehearsal, game, or performance that day. An approved planned absence or doctor's appointment with a signed note would be the only exception to this policy. This policy is intended to be a minimum and is subject to coaches and/or sponsors choosing to intensify the requirements.

### **VI-4 BASKETBALL ROYALTY**

Each year, a basketball king and queen are elected from the senior class by the student body.

- Boys Basketball Team: Select three (3) Senior queen candidates

Leadership and character evaluations will be given to faculty members of Kiowa County High School. Scores will be tallied by the cheerleading sponsor from Kiowa County and verified by the building administrator.

A uniform will be furnished by the school, but each cheerleader must be willing to attend camp at their own expense and other costs as stated in the cheerleader constitution.

## **VI-6 EXTRACURRICULAR ACTIVITIES POLICY**

Extracurricular activities at Kiowa County High School include Athletics, FFA, Forensics, Cheerleading, Instrumental Music, Vocal Music, Clubs and organizations, and any other activities outside the normal classroom activity.

Education is the right of every student. However, extracurricular activities are a privilege afforded to only those who can live up to the rules and regulations as set forth in this policy. We are proud of our extracurricular programs and we expect the participants to live up to the high standards of these programs. When you choose to take part in extracurricular activities, you choose and expect to do more and go the extra mile. You not only represent yourself but also your fellow students, the school, and your community. In order to take part in any activity, the student must be carrying a full class load. Students may be excluded from any or all activity programs if their conduct, behavior, or appearance would be detrimental to any program.

## **VI-9 LETTERING PROCEDURE**

Letters for each sport will be given at the end of the school term when the athlete has met the requirements. One letter per person will be awarded during the school life. A deserving athlete may be lettered by the coach if so warranted. A "KC" letter will be given to the athlete the first time requirements have been met in any sport at the end of the year. Each succeeding year, the athlete will be given a bar and a certificate.

## **VI-10 NATIONAL HONOR SOCIETY (NHS)**

National Honor Society (NHS) is a student group selected by a committee of teachers based on the student's scholarship, service, leadership, and character. A student must have a GPA of 3.5 or higher to be eligible to apply. Leadership, character, and service are all considered in addition to the scholarship component in the selection of NHS members. Final decision regarding membership of qualified candidates is determined by a majority vote of the Faculty Council. Membership in the National Honor Society is a privilege and not a right. Detailed information is found in the constitution available from the sponsor.

## **VI-11 PHYSICAL EXAMINATIONS**

  - d. Any student that brings an outside date is responsible for the behavior of their date.
  - e. Students may not sign up anybody but their own date.

These policies are intended to allow students to bring legitimate dates and not to open up school dances to the general public. If this is abused, other steps may be taken.

### **VI-14 BREATHALYZER GUIDELINES**

USD 422 reserves the rights to use and administer a breathalyzer test at all school dances and school functions as deemed necessary by the administration. A trained and qualified person will administer the breathalyzer test.

1. School dances: All students attending school dances will be given a breathalyzer test.
2. School functions: Any student attending a school function and has given faculty or administration reasonable suspicion to suspect that a student has been drinking he/she may be given a breathalyzer.
3. If an individual tests positive he/she will be asked to take the test again 15 minutes afterwards to confirm a positive test.
4. Refusal of complying with the test will result in no admittance to activity or removal from activity. Consequences: The USD 422 drug and alcohol policy as published in the student handbook will be enforced. Parents will be notified at the time of the infraction as well as the local law enforcement. Individuals will be detained until the parent/guardian picks them up.

### **VI-15 SENIOR BOY AND GIRL ALL-AROUND ATHLETE**

The criteria for all-around athlete are as follows:

- The district will pay \$5.00 (breakfast) and \$7.00 (lunch/supper) for each meal per student after the first meal.
- The number of meals to be paid by the district will be determined by the building administrator.

### **VI-18 SUCCESS OF PROGRAMS**

In order for any program to be successful, it takes the cooperation of the entire group. No one individual can make the program a success. There is only one boss and that is the coach or sponsor. If you cannot follow his/her instruction or direction, you are detrimental to the program, and it will function better without you. The sponsor may require extra work from you in addition to the above policies. If you cannot live with this and cannot accept the sponsor as boss, it would be best for all concerned if you separate yourself from the activity. Honesty, fairness, punctuality, and loyalty are all necessary in order to have a successful activity program, and we expect these qualities in all students involved in extracurricular activities.

## VII-OTHER ACTS, RIGHTS, STATEMENTS

### VII-1 ACCOUNTABILITY STATEMENT

Students are ultimately accountable for achieving district defined outcomes; parents, teachers, administrators, Board of Education, and the school community are responsible for providing quality instruction, facilities, and support for students to achieve those outcomes.

### VII-2 A.D.A. NOTIFICATION

Notice of Parent and Student Rights under Section 504 of the Rehabilitation Act of 1973 and The Americans with Disabilities Act of 1990. Section 504 of the Rehabilitation Act of 1973, commonly referred to as "Section 504," and the Americans with Disabilities Act of 1990 known as the A.D.A., is a statute, which prohibits discrimination and assures equal educational opportunities and benefits to disabled students equal to those provided to the non-disabled.

The following is a description of student and parent rights provided under Section 504. The intent of this notification is to inform you about the school district's responsibilities under the Americans with Disabilities Act and Section 504.

You have the right to:

- Have your child take part in, and receive benefits from public education programs without discrimination based on a disability.
- Have the school district advise you as to your rights under federal law.
- Receive notice with respect to identification, evaluation, or placement of your child.
- Have your child receive a free appropriate public education. This includes the right to be educated with other students to the maximum extent appropriate. It also includes the right to have the school district make reasonable accommodations to allow your child an equal opportunity to participate in school and school related activities.

### VII-3 ANTI-BULLYING POLICY

#### **Prohibition of Bullying, Intimidation, and Harassment**

The Kiowa County Board of Education (BOE) prohibits acts of bullying and harassment. The BOE has determined that a safe and civil environment in school is necessary for students to learn and achieve high academic standards. Bullying or harassment, like other disruptive or violent behaviors, is conduct that disrupts both a student's ability to learn and the school's ability to educate its students in a safe environment. Demonstration of appropriate behavior, treating others with civility and respect, and refusing to tolerate bullying or harassment is expected of staff, faculty, volunteers in the district, as well as administrators to provide positive examples for student behavior.

The Kiowa County School District is committed to a safe and orderly educational environment for all students, employees, volunteers and patrons where there is freedom from bullying, intimidation, or harassment. "Bullying, harassment, or intimidation" means any intentional written, verbal, or physical act when the intentional written, verbal, or physical act:

- Is directed at one or more students
- Physically harms a student or damages the student's property; or
- Has the effect of substantially interfering with a student's education; or
- Is severe, persistent, or pervasive that it creates an intimidating or threatening educational environment; or
- Has the effect of substantially disrupting the orderly operation of the school.

Harassment or bullying is any gesture or written, verbal, graphic, or physical act (including electronically transmitted acts - i.e. internet, cell phone, personal digital assistant (pda), or wireless handheld device) that is reasonably perceived as being motivated either by any actual act or perceived characteristic, such as race, color, religion, ancestry, national origin, gender, sexual orientation, gender identity and expression; or a mental, physical, or sensory disability or impairment; or by any other distinguishing characteristics.

Since bystander support of bullying or harassment can support these behaviors, the district prohibits both active and passive support for acts of bullying or harassment. The staff should encourage students to support students who walk away from these acts when they see them, constructively attempt to stop them, or report them to the designated authority.

The Kiowa County BOE requires its school administrators and counselors to develop and implement procedures that ensure both the appropriate consequences and responses to students who commit one or more acts of bullying or harassment.

The following factors shall be given full consideration by school administrators in the development of the procedures for determining appropriate consequences and remedial measures for each act of bullying or harassment.

**Factors for Determining Consequences:**

- Age, development, and maturity levels of the parties involved
- Degree of harm
- Surrounding circumstances
- Nature and severity of the behavior(s)
- Incidences of past or continuing pattern(s) of behavior
- Relationship between the parties involved
- Context in which the alleged incident(s) occurred

Counseling, corrective discipline, and/or referral to law enforcement will be used to change the behavior of the perpetrator and remediate the impact on the victim. This includes appropriate intervention(s), restoration of a positive climate, and support for victims and others impacted by the violation.

Consequences for a student who commits an act of bullying or harassment shall be determined on a case by case method with the final determination being decided by the building administrator(s).

**Examples of Consequences:**

- Admonishment
- Temporary removal from the classroom
- Loss of privileges
- In-school suspension
- Out-of-school suspension
- Legal action
- Expulsion or termination

**Examples of Remedial Measures:**

- Framing the aggressive behavior as a failed attempt to solve a real problem or reach a goal. The adult assists the misbehaving student to find a better way to solve the problem or meet the goal.
- Restitution and restoration
- Conferencing (student-teacher, parent-teacher, etc.)
- Corrective instruction or other relevant learning or service experience
- Classroom detention
- Referral to administration
- Supportive discipline to increase accountability for the bullying offense
- Supportive interventions, including participation of an Interventional and referral Services team, peer mediation, etc.
- Behavioral assessment or evaluation

The Kiowa County BOE requires the building principal and/or the counselor to be responsible for determining whether an alleged act constitutes a violation of this policy. In doing so, the principal and/or counselor shall conduct a prompt, thorough, and complete investigation of each alleged incident. The investigation is to be completed within three school days after the report or complaint is made.

The Kiowa County BOE prohibits reprisal or retaliation against any person who reports an act of bullying or harassment. The consequences and appropriate remedial action for a person who engages in reprisal or retaliation shall be determined by the building administrator after consideration of the nature, severity, and circumstances of the act.

The Kiowa County BOE prohibits any person from falsely accusing another as a means of bullying or harassment. The consequences and appropriate remedial action for a person found to have falsely accused another as a means of bullying or harassment may range from positive behavioral interventions up to and including suspension, expulsion, or referral to law enforcement.

The Kiowa County BOE requires school officials to annually disseminate the policy to all school staff, students, and parents, along with a statement explaining that it applies to all applicable acts of bullying or harassment that occur on school property, at school-sponsored functions, or on a school vehicle. The superintendent shall develop an annual process for discussing the school district policy on bullying and harassment with students and staff.

**VII-4 CIVILITY POLICY**

Kiowa County High School believes interactions among individuals should be of a positive and productive nature. In accordance with this belief, it is the policy of the school district to treat everyone – fellow employees, students, parents, patrons, visitors, anyone having business with the district – with fairness and respect. The district also expects anyone having interaction(s) with employees of the district to treat the employee with professionalism, courtesy, dignity, and respect.

## VII-5 FERPA-FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT

Under the provisions of the Family Educational Rights and Privacy Act (FERPA) parents of students and eligible students (those who are 18 or older) are afforded various rights with regard to educational records, which are kept and maintained by USD 422. In accordance with FERPA, you are required to be notified of those rights, which include:

1. The right to review and inspect all of your educational records except those which are specifically exempted.
2. The right to prevent disclosure of personally identifiable information contained in your educational records to other persons with certain limited exceptions. Disclosure of information from your educational records to other persons will occur only if:
  - a. we have your prior written consent for disclosure
  - b. the information is considered "directory information" and you have not objected to the release of such information;  
or
  - c. disclosure without consent is permitted by law
3. The right to request that our educational records be amended if you believe that the records are misleading, inaccurate, or otherwise in violation of your rights. This right includes the right to request a hearing at which you may present evidence to show why the record should be changed if your request for an amendment to your records is denied in the first instance.
4. The right to file a complaint with the Family Policy and Regulations Office at the U.S. Department of Education if you believe that USD 422 has failed to comply with FERPA's requirements.
5. The right to obtain a copy of USD 422's policies for complying with FERPA. A copy may be obtained from the Superintendent, 720 South Main, Greensburg, KS. 67054.

For purposes of FERPA, USD 422 has designated certain information contained in educational records as directory information, which may be disclosed for any purpose without your consent. The following information is considered directory information: name, address, telephone number, date and place of birth, participation in officially recognized activities and sports, weight, and height of members of athletic teams, dates of attendance, degrees and awards received, the most recent previous school attended by the student, class designation, major field of study and photographs.

You have a right to refuse to permit the designation of any or all of the above information as directory information. If you refuse, you must file a written notification to this effect with USD 422 at Kiowa County High School on or before August 31, 2020. If a refusal is not filed, USD 422 assumes that there is no objection to the release of the directory information designated.

## VII-6 NON-DISCRIMINATION STATEMENT

### Non-Discrimination Statement

USD 422 does not discriminate on the basis of race, color, national origin, sex, age, religion, military status, primary language, and/or disability. This non-discrimination policy applies to admission, employment, programs, and activities. A lack of English language skills will not be a barrier to admission and participation in the Career and Technical (vocational) and/or other educational programs of the school.

### Grievance Procedure:

USD 422 has an internal grievance procedure providing for prompt and equitable resolution of complaints alleging noncompliance with Section 504 of the Rehabilitation Act of 1973 in any program or activity administered by the District. The following have been designated as coordinators:

Within this time limit, the Superintendent shall meet informally with the complainant and the individual(s) against whom the complaint was lodged and shall provide confidential counseling where advisable and shall finally seek an informal agreement between the parties concerned. Every attempt shall be made to seek a solution and resolve the alleged discrimination complaint at this level.
- If the complainant is not satisfied with these initial informal procedures, within twenty (20) school days from the date of the original discussion with the Superintendent formal procedures may be initiated by the complainant to further explore and resolve the problem.

## **Formal Procedure**
