Academics

GRADING SYSTEM

Kiowa County Junior High School will use the following grading system. The traditional 4.0 grading scale will be used to compute grade point averages. All grades reported on grade cards and transcripts will be listed as percentage grades.

A	100% - 90%	4.0
B	89% - 80%	3.0
C	79% - 70%	2.0
D	69% - 60%	1.0
F	Below 59%	0.0

GRADING PERIODS & GRADE REPORTS

The school year will be divided into two semesters. At the end of the first and third nine weeks a percentage grade will be mailed to parents. These reports will indicate student progress, but not credits earned or grade point averages.

Final percentages will be mailed to parents at the end of each semester. This report will show final percentages, semester grade point average, and a report of absences. When special circumstances arise, an incomplete grade may be given. All incomplete grades should be made up within five days after the completion of the semester. Any incomplete grade not made up by this time will need office approval to avoid a grade of "F".

HONOR ROLL

Kiowa County Junior High School will maintain a semester honor roll for each semester. The Honor Roll will be divided up in to the following groups.

Superintendent's Honor Roll

- Those students receiving a minimum semester percentage point average of 96% with no percentage lower than a 90% will be placed on the Superintendent's Honor Roll.

Principal's Honor Roll

- Those students attaining a minimum semester point average of 90% with no percentage lower than an 83% will be placed on the Principal's Honor Roll.

Honorable Mention Honor Roll

- Those students attaining minimum semester point average of 87% with no grade lower than an 80% will be placed on the Honorable Mention Honor Roll.

PLAGIARISM & ACADEMIC DISHONESTY

Academic dishonesty is not acceptable and is not conducive to students MAXIMIZING THEIR POTENTIAL. Cheating, defined as copying another student's work and claiming it as your own and plagiarism, defined as the use of another person's original ideas or writing without giving credit to the true author, are both prohibited practices. Materials taken from electronic sources are covered by this policy. A student who engages in any form of academic dishonesty will be subject to the loss of credit for the work in question. Depending on the situation, other disciplinary actions may also be taken.

CIVILITY POLICY

Kiowa County Junior High believes that interactions among individuals should be of a positive and productive nature. In accordance with this belief, and the school's KC Big 3 core values, it is the policy of the school district to TREAT OTHERS RIGHT- (fellow employees, students, parents, patrons, visitors) anyone having business with the district. We expect everyone to be treated with fairness and respect. The district also expects anyone having interaction(s) with employees of the district to treat the employee with professionalism, courtesy, dignity, and respect.

Attendance

ATTENDANCE POLICY

Regular attendance is an important part of education. Only by attending classes can a student receive the full benefit of instruction. Class participation is one of the areas of student performance used to determine grades. Students are expected to attend all classes, every day. The primary responsibility for good attendance rests with the student and parent.

School officials determine what constitutes an excusable absence. A call from a parent does not guarantee that a student will be excused. School administration has the authority to establish school procedures that promote good attendance, and the use of school detentions and in-school suspension as a response to unexcused absences.

Parents are encouraged to schedule doctor's/dentist's appointments before or after school hours.

COMPULSORY ATTENDANCE

Regular attendance is required of all pupils enrolled in elementary and secondary school under Kansas compulsory attendance statutes (KSA 72-1113). It is a parental responsibility under Kansas statutes (KSA 72-1113) to require the regular school attendance "of any student who has reached the age of seven (7) years and is under the age of eighteen (18) years," unless the student is exempted by statute.

TRUANCIES

Unexcused absences may evolve into truancy under the Statutes of the State of Kansas. With certain limited exceptions, every student between the ages of 7 to 18 is required by law to attend school. (See Compulsory Attendance) If a student is absent from school without a valid excuse, either all, or a significant part of a day, three consecutive days, or five or more days in any one semester, or seven days in a school year, he/she is truant. "A significant part of the day" is defined as four or more class periods. All cases of truancy must be reported to the appropriate statutory authorities. Kansas law 72-1113 allows police officers to take a student found off school grounds during the school day into custody and directs the officer to deliver the student to the school. In such occurrences, the school administrator will personally contact the parent.

ABSENCES

In the event a student is absent from school, the parents/guardians should call the school office between the hours of 7:30 - 8:30 a.m. All absences, which are not confirmed by a parent, are considered to be unexcused. However, contact with a parent does not ensure the absence to be excused. A student is presumed to be unexcused until his/her parent/guardian notifies the school. **After three days, an unexcused absence will not be changed to excused.**

It is the responsibility of the student to obtain make-up work. Make-up work not turned in will be recorded as a "0". Work that was assigned before the absence will be due upon the day the student returns.

EXCUSED ABSENCES

The student may make up excused absences. Although the teacher will assign make up work, it is the responsibility of the student to see that it is done. The student will have two days for each absent day to make up all assignments.

UNEXCUSED ABSENCES

Unexcused absences are given when the cause of an absence is not acceptable to the office. Examples of unexcused absences are oversleeping, haircuts, working for hire, leaving the school without permission, or if the proper procedure for an excused absence (period or day) was not followed. Unexcused absences will be made up with a one-hour detention for each class period missed or with in-school suspension (ISS). Consequences for skipping school will be a minimum of one day in ISS. Students will be allowed to make up all work missed with no credit given. A student who accumulates more than three days of unexcused absences will require more serious punishment such as suspension or expulsion.

TARDY POLICY

Students are expected to arrive to every class on time with the necessary classroom materials. Failure to do so will result in the teacher marking the student tardy and assigning the student make-up time after school. Teachers will maintain accurate records for each class. The tardy policy progression for each class is as follows:

- 1st Tardy - warning
- 2nd Tardy - 10 minute detention
- 3rd Tardy - 20 minute detention
- 4th Tardy - 30 minute detention
- 5th Tardy & all Additional Tardies in a semester - 30 minute detention and the student will not be allowed to attend practice, or games, on the day of the tardy

A student is considered tardy if he/she is not in their seat in the classroom at the bell. A student who is more than 10 minutes late to class will have an unexcused absence (one hour of detention). Students who have progressed through all five steps in the tardy policy progression may be subject to losing student privileges.

PLANNED ABSENCE

Many times an absence is known in advance. Examples of planned absences are medical appointments, family trips with parents, work for family, and religious activities. All planned absences are excused if approved by the office prior to the absence. Whenever possible, all homework should be made up before the day of absence.

PERMIT TO LEAVE THE BUILDING

No student will leave the school grounds during school hours without permission from the office or being accompanied by a teacher or staff member. Any student checking out of school during the day is required to have parental permission in the form of a note or a phone call from their parents before they will be allowed to check-out. Students are required to sign the check-out sheet in the office to be excused to leave the building. Any student who leaves the school without checking out will be unexcused. Students are required to sign the check-in sheet in the office upon returning to school.

Student Conduct/Discipline

DISCIPLINE PROCEDURES

Students are expected to comply with KCJH's core values—the KC Big 3—in order to decrease discipline referrals. As a result, any act, which violates any student's right to an education, will not be tolerated at Kiowa County Junior High School. Disobeying the orders of teachers or other school officials may be grounds for student suspension or expulsion. This insubordination generally involves the willful refusal to obey reasonable directives. When a student repeatedly disobeys a reasonable directive, the student will be suspended for a minimum of two (2) days for the first offense, a minimum of four (4) days for the second, and a minimum of either long-term suspension or expulsion for the third offense.

Teachers are responsible for discipline in the classroom and will make their policies available to all students. Any problem, which cannot be solved immediately, should be referred to the office for further attention.

In Kansas, a school district is vested with the authority to suspend or expel a student by statute. The law (K.S.A. 72-8901) authorizes suspension or expulsion for the following reasons:

- Willful violation of any published regulation for student conduct adopted or approved by the board of education;
- Conduct which substantially disrupts, impedes, or interferes with operation of the school;
- Conduct which endangers the safety of others at school, on school property, or at a school supervised activity;
- Conduct which substantially impinges upon or invades the rights of others at school, on school property, or at a school supervised activity;
- Conduct which would constitute the commission of a felony by an adult under state law;
- Conduct which would constitute the commission of a misdemeanor by an adult under state law, but only if such conduct occurs at school, on school property, or at a school supervised activity;
- Disobedience of an order of a teacher or other school authority when such disobedience can reasonably be anticipated to result in disorder, disruption or interference with school operation;
- Disobedience of an order of a teacher or other school authority when such disobedience can reasonably be anticipated to result in substantial and material impingement upon or invasion of the rights of others;

The district shall cooperate with law enforcement in security matters and shall, as required by law, report criminal acts committed at school, on school property or at school-sponsored events.

IN-SCHOOL SUSPENSION (ISS)

ISS is an alternative to removing students from the school setting because of behavioral problems or violation of certain school rules. The school day for an ISS student runs from 8:15 a.m. until 3:30 p.m. Students will not be allowed to participate in any extra-curricular activities or practices on the day they have ISS. The intent of ISS is to discourage inappropriate behavior. To impress this intent, students may, or may not, be allowed to do any schoolwork or other activities while in ISS. Their activity may be restricted to sitting in isolation for the duration of the ISS. Students must pick up assignments in the office at the end of each day they are in ISS and return those assignments the following school day in order to get full credit. Any assignments given to students, while they are in ISS, are to be completed and turned in by the end of the day in order to receive full credit. At the teacher's discretion, tests and labs can be made up on the day the student returns to school or before 8:15 a.m. or after 3:15 p.m. each day the student is in ISS. Any assignment not completed will be recorded as a zero or its equivalent. Absence from ISS due to illness or other emergency reasons will not relieve the students from fulfilling their required time. They will serve the ISS when they return.

OUT OF SCHOOL SUSPENSION (OSS)

When the circumstances warrant, a student may be suspended out of school. A suspended student will not attend school activities, come into the school building, or be on school property. Students will be allowed to make up all work during OSS with no credit given. Students will lose 10% per day on tests given while the student has OSS. The suspended student will be required to meet with the principal and/or counselor before being admitted back into school. Parents/guardians may be required to attend.

EXPULSION / LONG-TERM SUSPENSION

A student that has been expelled, or is put on long-term suspension, may not enter the school building, be on school property, or attend school activities. A student will receive a zero, or its equivalent, for the class work they missed during the time they were expelled or suspended. Any student being expelled or put on long-term suspension is entitled to a due process hearing in accordance to district policy.

OFFICE DETENTION

The office will occasionally assign detention time as a method of correcting unacceptable behavior. The amount of detention time given is at the discretion of the principal.

DETENTION

The classroom teacher, or the administrative team, may assign before or after school detentions. If work or extracurricular activities interfere with detentions, it is the responsibility of the student to serve the detention and make arrangements with employers or coaches and/or sponsors. Failure to serve detentions will result in further disciplinary actions.

General Information

BUILDING USE

The building will be open at 7:45 a.m. each morning and will be closed at 3:45 p.m. each afternoon. All students are to be out of the building, unless under the direct supervision of a staff member.

GUM

Gum is not allowed in the school building during the school day. The school day begins when a student arrives on school property, and the day ends at 3:45p.m.

CHURCH NIGHT

Sunday and Wednesday nights are reserved for the churches. No school activity or practice will be held that requires students to be at school after 6:30 p.m. It should be understood that emergencies or circumstances beyond the school's control may cause some activity to be scheduled on a Wednesday night.

COMPUTERS / INTERNET USAGE

USD 422 has established an Acceptable Use Policy to ensure the proper use of the district's computer and telecommunication resources in an efficient, effective, ethical, and lawful manner. Students will not be allowed computer or Internet privileges until the Acceptable Use Policy for USD 422 has been signed by the student, parent/guardian, and is on file at the junior high school.

DAMAGE TO SCHOOL PROPERTY

Any part of the school building, grounds, or equipment is considered to be school property. Students are responsible for the proper care of all school property including but not limited to lockers, chairs, desks, textbooks, library materials, and uniforms. Students will be charged replacement cost for any items that are lost or damaged.

FUND RAISERS / MONEY-MAKING PROJECTS

The building principal must approve any fund raising projects that are associated with any part of Kiowa County Junior High School. Any monies raised become property of the organization and will be secured in the school activity fund.

GANGS

The creation of, or membership within, any gang will not be allowed at Kiowa County Junior High School. Any symbols, markings, or clothing, which represent gangs, will not be allowed.

Anti-Bullying Policy

Prohibition of Bullying, Intimidation, & Harassment

The Kiowa County Board of Education (BOE) prohibits acts of bullying and harassment. The BOE has determined that a safe and civil environment in school is necessary for students to learn and achieve high academic standards. Bullying or harassment, like other disruptive or violent behaviors, is conduct that disrupts both a student's ability to learn and the school's ability to educate its students in a safe environment. The school has implemented a character education program to proactively address this issue. Two of our core values (treat others right and make smart decisions) and their corresponding performance goals give students, staff and parents a structure and a language to guide students away from the act of bullying. Demonstration of the KC Big 3 and refusing to tolerate bullying or harassment is expected of students, staff, faculty, volunteers in the district, as well as administrators to provide positive examples for student behavior.

The Kiowa County School District is committed to a safe and orderly educational environment for all students, employees, volunteers and patrons where there is freedom from bullying, intimidation, or harassment. "Bullying, harassment, or intimidation" means any intentional written, verbal, or physical act when the intentional written, verbal, or physical act:

- Is directed at one or more students
- Physically harms a student or damages the student's property; or
- Has the effect of substantially interfering with a student's education; or
- Is severe, persistent, or pervasive that it creates an intimidating or threatening education environment; or
- Has the effect of substantially disrupting the orderly operation of the school.

Harassment, or bullying, is any gesture that is written, verbal, graphic, or a physical act (including electronically transmitted acts - i.e. internet, cell phone, personal digital assistant (PDA), or wireless hand held device) that is reasonably perceived as being motivated either by any actual act or perceived characteristic, such as a race, color, religion, ancestry, national origin, gender, sexual orientation, gender identity and expression; or a mental, physical, or sensory disability or impairment; or by any other distinguishing characteristic.

Since bystander support of bullying, or harassment, can support these behaviors, the district prohibits both active and passive support for acts of bullying or harassment. The staff should encourage students to support students who walk away from these acts when they see them, constructively attempt to stop them, or report them to the designated authority.

The Kiowa County BOE requires its school administrators and counselors to develop and implement procedures that ensure both the appropriate consequences and responses to students who commit one or more acts of bullying or harassment.

The following factors shall be given full consideration by school administrators in the development of the procedures for determining appropriate consequences and remedial measures for each act of bullying or harassment.

Factors for Determining Consequences:

- Age, development, and maturity levels of the parties involved
- Degree of harm
- Surrounding circumstances
- Nature and severity of the behavior(s)
- Incidences of past or continuing pattern(s) of behavior
- Relationship between the parties involved
- Context in which the alleged incident(s) occurred

Counseling, corrective discipline, and/or referral to law enforcement will be used to change the behavior of the perpetrator and remediate the impact on the victim. This includes appropriate intervention(s), restoration of a positive climate, and support for victims and others impacted by the violation.

Consequences for a student who commits an act of bullying or harassment shall be determined on a case-by-case method with the final determination being decided by the building administrator(s).

Examples of Consequences:

- Admonishment
- Temporary removal from the classroom
- Loss of privileges
- Classroom detention
- Referral to administration
- In-school suspension for the student
- Out-of-school suspension
- Legal action
- Expulsion or termination

Examples of Remedial Measures:

- Framing the aggressive behavior as a failed attempt to solve a real problem or reach a goal. The adult assists the misbehaving student to find a better way to solve the problem or meet the goal.
- Restitution and restoration
- Conferencing (student-teacher, parent-teacher, etc.)
- Corrective instruction or other relevant learning or service experience
- Supportive discipline to increase accountability for the bullying offense
- Supportive interventions, including participation of an Interventional and referral Services team, peer mediation, etc.
- Behavioral assessment or evaluation

The Kiowa County BOE requires the building principal and/or the counselor to be responsible for determining whether an alleged act constitutes a violation of this policy. In doing so, the principal and/or counselor shall conduct a prompt, thorough, and complete investigation of each alleged incident. The investigation is to be completed within three school days after the report or complaint is made.

The Kiowa County BOE prohibits reprisal or retaliation against any person who reports an act of bullying or harassment. The building administrator shall determine the consequences, and appropriate remedial action, for a person who engages in reprisal or retaliation after consideration of the nature, severity, and circumstances of the act.

The Kiowa County BOE prohibits any person from falsely accusing another as a means of bullying or harassment. The consequences and appropriate remedial action for a person found to have falsely accused another as a means of bullying or harassment may range from positive behavioral interventions up to and including suspension, expulsion, or referral to law enforcement.

The Kiowa County BOE requires school officials to annually disseminate the policy to all school staff, students, and parents, along with the statement explaining that it applies to all applicable acts of bullying or harassment that occur on school property, at school-sponsored functions, or on a school vehicle. The superintendent shall develop an annual process for discussing the school district policy on bullying and harassment with students and staff.

The school district shall incorporate information regarding the policy against bullying and harassment into all student handbooks.

*Adopted by the USD 422 Board of Education-April 11, 2011

The district also has a school web site where notices will be placed. <http://usd422.org> At the school website, there is also the option to sign up to receive school texts with information about late starts or classes being cancelled.

INSTRUCTIONAL MATERIALS

The cost of the instructional materials is set by the USD 422 Board of Education for each student for the year. The instructional material fee is applicable to all students no matter what curriculum is pursued and taken, including experimental, non-textbook, or independent study. Periodicals or other items may be needed for class at an additional cost to the student. Applications for free or reduced textbooks are available in the school office. Certain guidelines are required in order to qualify for this program. Students who enroll late or withdraw from school will be charged or refunded to the nearest quarter. The student must pay for any book that is lost, before another book is issued, or credit for the class is given.

LIBRARY REGULATIONS

The Library Media Center (LMC) at Kiowa County Junior High School is very proud of the services it has available. Students will be expected to follow the rules and regulations set forth by the LMC staff and administration. These rules will be posted in the library and can be obtained from the LMC staff.

LOCKERS

Lockers in the district schools shall be under the supervision of the building principal and assigned to the student to store necessary school materials and clothing. The combinations to all locker locks shall be in sole possession of the principal and stored in a place designed to guard against unauthorized access or use. The principal may search any locker at any time without notice to the student to whom the locker is assigned if there is reason to believe the locker contains matter prohibited by law or school regulations. In compliance with Kansas State Fire Marshall safety codes, lockers must remain closed when not in use. No clothing/coats may be hung on locker doors, and no items may be stored or left on the corridor floors. U.S.D. 422 will not be responsible for articles left in the school, lockers, or school vehicles. No stickers or posters may be placed on the outside or inside of lockers. Only beverages with lids may be kept in lockers.

BREAKFAST AND LUNCH PROGRAM

School breakfast and lunches will be served daily in the school cafeteria. The computerized breakfast and lunch accounting system will not allow your child to charge lunches. When your child is out of paid lunches they will be required to bring a sack lunch or an alternative meal will be provided.

A lunch count will be taken each day during the first period. Indicate to your teacher whether or not you plan to eat in the cafeteria that day. Please honor your commitment since the amount of food prepared each day will depend upon this lunch count. Students not indicating lunch, but showing up to eat will go to the end of the line.

Daily breakfast and lunch fees are set by the USD 422 Board of Education each year. Applications for free/reduced lunch prices are available in the school office and will be processed by the district office.

MALE/FEMALE RELATIONSHIPS

Any act of affection that might influence or embarrass members of the student body, or faculty, is prohibited. This policy is in effect any time school is in session, on school transportation, or during any school related activity.

PHYSICAL EDUCATION

Each student will be required to furnish a t-shirt with sleeves, shorts, gym shoes and any personal items. Participation in full uniform is necessary to receive a grade and credit. Students failing to return any equipment issued or causing excessive wear will be charged replacement cost.

SCHOOL BUS SERVICE

- Shorts, skirts, and dresses must not be shorter than the students' extended fingertips when extended at their sides. Any holes in jeans will be considered unacceptable unless below the length requirement. There may be selected styles that meet these criteria that will be considered unacceptable (i.e. slits in dresses and skirts).

Cameras shall not be used in such a fashion as to inappropriately invade the privacy of others. No camera shall be used in any restroom, dressing area, or locker room. Cameras shall not be used to record confidential material, such as classroom material, tests, or grade book entries.

For the purposes of this section, "camera" shall be defined to include film cameras, movie cameras, digital cameras, video cameras, cellular telephone cameras (capable of recording either still images and/or video), videophones, web cameras, and any other device capable of taking, storing, transmitting, or viewing pictures or video.

VISITORS TO THE SCHOOL

All visitors, youth and adult, must check with the office before going to any other part of the building. Any student guest must be approved through the office at least one day prior to the visit. All visiting students will follow the same policies as KCJH students.

WEAPONS POLICY

Students and staff have the right to work and study in a safe environment free of fear from violence. Students will not knowingly possess, handle, transport, display, offer to sell, barter, or exchange, or threaten to use any object at school, on school property or at a school-sponsored event that can reasonably be considered a weapon by administration or staff. This includes any item being used as a weapon or destructive device, or any facsimile of a weapon. Knives and chains will be considered weapons and will be confiscated. In the event a student of the district or a visitor is found to be in violation of this guideline, the school administration shall notify the appropriate law enforcement agency. A student who brings a weapon of any kind to school may be suspended or expelled for extended periods (up to 186 days) in accordance with the board of education policies and laws of the state of Kansas.

DESTRUCTION OF SCHOOL PROPERTY / VANDALISM

Respect of public property should be developed and promoted in schools. School pride is encouraged in students by having them share in the school's upkeep. Students who damage or destroy school property will be required to make restitution and may be reported to the police. Reasonable damage will be assessed based on consideration of the nature and extent of the damage, the cost of repair, and the circumstances surrounding the incident in which it occurred. Information concerning the cost and value of the school property involved will be given to the student and his/her parents.

SURVEILLANCE CAMERAS

Surveillance cameras are located in specified interior and exterior areas of the building. These cameras are monitored for the purpose of providing a safe and secure school environment for students, staff, and patrons.

Activities

ATHLETICS

Kiowa County Junior High School students have the opportunity to participate in excellent inter-school athletics. Each person should take full advantage of this opportunity to maximize his/her potential in the sport or sports of their choice. Only in this country does the athlete learn to play side by side with his teammate in an effort to win for his school if he chooses to do so. He learns to abide by the rules of sportsmanship, rules of health and to obey those rules because he wants to make the team.

The Purpose of KCJH Athletics

To provide an opportunity for every 6th, 7th and 8th grade student to participate in athletics in an atmosphere that encourages development of skills, character, sportsmanship, teamwork, positive attitude and commitment.

Participation Guidelines

- The participants' ability, attitude, and commitment to the activity will determine the level of participation on a team.
- Students participating in junior high athletics must meet the eligibility requirements established by the district before participating in an athletic event.
- Members of the "A" team will demonstrate good character and sportsmanship as well as play with a higher level of skill. Participants at this level may or may not get to participate in every game.
- Members of the "B" and the "C" team will demonstrate good character and sportsmanship and work to improve their knowledge and skill of the game. At this level, all participants that suit-up will play.
- Participants that miss practice (excused or not), violate district or team policies and rules may miss some playing time.

CHEERLEADERS

Cheerleaders will be selected in the spring for the upcoming school year. A maximum of six cheerleaders will be selected for fall and winter sports by a panel of adult judges. The student's total score will be determined by the adding the scores from each adult judge. Scores will be tallied by the cheerleader sponsor from USD 422 and verified by the building administrator.

The school will furnish a cheerleading uniform, but each cheerleader must be willing to attend camp at his/her own expense and other costs as stated in the constitution. A copy of this may be obtained from the cheerleading sponsor.

EXTRA-CURRICULAR ACTIVITIES POLICY

Extra-curricular activities at Kiowa County Junior High School include athletics, cheerleading, instrumental music, vocal music, clubs and organizations, and any other activities outside the normal classroom activity.

Education is the right of every student. However, extra-curricular activities are a privilege afforded to only those who can live up to the rules and regulations as set forth in this policy. We are proud of our extra-curricular programs and we expect the participants to live up to the high standards of these programs. When you choose to take part in extra-curricular activities, you choose and expect to do more and go the extra mile. You not only represent yourself, but your fellow students, the school, and your community. In order to take part in any activity, the student must be carrying a full class load. Students may be excluded from any or all activity programs if their conduct, behavior, or appearance would be detrimental to any program.

ACADEMIC ELIGIBILITY

1. Students must maintain a passing grade in at least six (6) subjects of unit weight.
2. Academic eligibility is determined on a weekly basis starting the 3rd full week of each semester.
3. Eligibility Policy
 - a. If a student is failing one class, they will be required to attend 8th hour for a one-week period. 8th hour will take place from 3:30pm to 4:00pm daily, and it will be served with a staff member.
 - i. This is not Academic Probation or Ineligibility, but it is an attempt on the part of the School to help your child avoid either situation in the future
 - ii. A student attending 8th hour will be allowed to attend practice, or events, once they have completed their time.
 - b. If a student is failing two or more classes in a given week, he/she will be placed on Probation for a one-week period.
 - i. During the Probationary period, the student will attend 8th hour.
 - ii. During the Probationary period, the student **WILL** be allowed to do the following as long as he/she meets the probation requirements listed above:

BOE Approved Revisions May 26, 2015

ALCOHOL, DRUGS AND TOBACCO/NICOTINE PRODUCTS

In order to maintain a healthy body necessary to be involved in any activity program, it is absolutely necessary for you to stay away from alcohol, drugs, and tobacco/nicotine products.

1. A student involved in activities must be a bona fide student according to Rule 14 (Article 1 - 6) of KSHSAA bylaws.

ATTENDANCE AND PARTICIPATION

School attendance is required for participation in extra-curricular activities. To be eligible for practice, rehearsal, game, or performance, students must be in attendance at school by 12:00 p.m. of any school day. An approved planned absence would be the only exception to this policy. This policy is intended to be a minimum and is subject to coaches and/or sponsor choosing to intensify the requirements.

SUCCESS OF PROGRAMS

In order for any program to be successful, it takes the cooperation of the entire group. All group members (including student participants, coaches and sponsors) are expected to practice and model the KC Big 3 as it relates to extra-curricular activities. No one individual can make the program a success. There is only one boss and that is the coach or sponsor. If you cannot follow his/her instruction or direction, you are detrimental to the program and it will function better without you. The sponsor may require extra work from you in addition to the above policies. If you cannot live with this and cannot accept the sponsor as boss, it would be best for all concerned if you would separate yourself from the activity. Honesty, fairness, punctuality, and loyalty are all necessary in order to have a successful activity program and we expect these qualities in all students involved in activities.

TRANSPORTATION TO ACTIVITIES

There are many advantages to be gained from the association the students and sponsors have in going to and from events.

1. All team and organization members will be expected to ride the transportation provided by the school district.
2. No coach or sponsor will release a student from school transportation unless directly released to the parents.
3. Any exception to the above policies must be approved at least one (1) day in advance by the principal and the coach/sponsor.
4. Any student not following the transportation rules will be subject to a one game (activity) suspension.
5. The Transportation Rules stated earlier in this document also pertain to all extra-curricular activities.

CONDUCT WITHIN THE SCHOOL & CLASSROOM

If you expect to represent this school in extra-curricular activities, your conduct at school must be above reproach.

1. Any student that is put on suspension from school will also have a one game (activity) suspension from any activity in which they are involved.
2. On the day of the suspension, the student will not be allowed to practice or participate in any extra-curricular activities.
3. Any misconduct while involved in any activity will result in a one game (activity) suspension; or if ruled severe by the sponsor and administration, will result in suspension for the season.

SPORTSMANSHIP/RULES OF CONDUCT AT ACTIVITIES

Conduct of students at all activities should bring credit to the Kiowa County School system and the community. In an effort to bring a better understanding of what is expected of our student body and student athletes, the following list has been compiled. It is our sincere hope that our behavior and sportsmanship will bring credit to our school and community. All actions are to be for, not against; positive, not negative or disrespectful. Guidelines for students and fans are summarized below:

1. Treating others right requires practicing sportsmanship. Unsportsmanlike conduct will not be permitted. This includes but is not limited to the following:
 - a. Harassment of opposing team, officials, coaches, cheerleaders, and/or guests
 - b. No swearing, off color cheer or jokes, or obscene gestures
 - c. Making noise during a free throw
 - d. Turning of backs or covering of face at introduction of players
 - e. Booming
 - f. Artificial noisemakers, or laser lights
 - g. Finger pointing at opposing players
2. Making smart decisions requires following expectations of administration at activities. Student dress code is in effect during all school activities.

Please show respect to our opponents and game officials. Violations will be sufficient cause for suspension and suspension from school activities for the remainder of the school year.

PHYSICAL EXAMINATIONS

Athletes participating in interscholastic competition must have passed a physical examination by a practicing physician, a KSHSAA Concussion form signed by a parent/guardian, and have written consent (KSHSAA form) of their parent/guardian prior to participation in any sport.
