**ACADEMICS:
GRADING SYSTEM**

Kiowa Elementary School will use the following grading system. The 4.0 grading scale will be used to compute grade point averages. All grades reported on grade cards will be listed as percentage grades.

A	90-100	4.0
B	80-89	3.0
C	70-79	2.0
D	60-69	1.0
F	Below 60	0

Students in grades 1-2 are given E for excellent work, S for satisfactory work and U for unsatisfactory work. Kindergarten students' progress is reported through a checklist of skills.

GRADING PERIODS AND GRADE REPORTS

The school year will be divided into two semesters. At the end of each grading period a percentage grade and outcomes report (where applicable) will be mailed to parents. Parents will also receive a midterm grade report at the end of the first and third nine weeks. This report will show final percent and a report of absences. When special circumstances arise, an incomplete grade may be given. All incomplete grades should be made up within five days after the grading period. Any incomplete not made up by this time will need office approval to avoid a grade of "F".

POWERSCHOOL

Students and parents can access their grades via the Internet by using the PowerSchool program. You will be given your login and password sometime at the beginning of the school year. Please do not lose this information. In addition it is important that you keep this login and password confidential, as it is only as secure as you allow it to be. Please check this regularly for grades and announcements. It is a very powerful program that allows you to see instantaneously where you are academically and other important information.

PLAGIARISM AND ACADEMIC DISHONESTY

Academic dishonesty is not acceptable and is not conducive to students MAXIMIZING THEIR POTENTIAL. Cheating, defined as copying another student's work and claiming it as your own and plagiarism, defined as the use of another person's original ideas or writing without giving credit to the true author, are both prohibited practices. Materials taken from electronic sources are covered by this policy. A student who engages in any form of academic dishonesty will be subject to the loss of credit for the work in question. Other disciplinary actions may also be taken.

**ATTENDANCE:
ATTENDANCE POLICY**

Regular attendance is an important part of education. Only by attending classes can a student receive the full benefit of instruction. Class participation is one of the areas of student performance used to determine grades. Students are expected to attend all classes every day. The primary responsibility for good attendance rests with the student and parent.

School officials determine what constitutes an excusable absence. A call from parents does not guarantee the student will be excused. School administration has the authority to establish school procedures which promote good attendance and the use of school detentions and in-school suspension as a response to unexcused absences. Parents are encouraged to schedule doctor's/dentist's appointments before or after school hours.

COMPULSORY ATTENDANCE

Regular attendance is required of all pupils enrolled in elementary and secondary school under Kansas compulsory attendance statutes (KSA 72-1113). It is a parental responsibility under Kansas statutes (KSA 72-1113) to require the regular school attendance “of any student who has reached the age of seven (7) years and is under the age of eighteen (18) years,” unless the student is exempted by statute.

TRUANCIES

Unexcused absences may evolve into truancy under the Statutes of the State of Kansas. With certain limited exceptions, every student between the ages of 7 to 18 is required by law to attend school. (See Compulsory Attendance) If a student is absent from school without a valid excuse, either all, or a significant part of a day, three consecutive days, or five or more days in any one semester, or seven days in a school year, he/she is truant. “A significant part of the day” is defined as four or more class periods. All cases of truancy must be reported to the appropriate statutory authorities. Kansas law 72-1113 allows police officers to take a student found off school grounds during the school day into custody and directs the officer to deliver the student to the school. In such occurrences, the school administrator will personally contact the parent.

ABSENCES

In the event a student is absent from school, the parents/guardians should call the school office between the hours of 7:30 - 8:30 a.m. All absences, which are not confirmed by a parent, are considered to be unexcused. ***However, contact with a parent does not ensure the absence to be excused.*** A student is presumed to be unexcused until his/her parent/guardian notifies the school. After three days, an unexcused absence will not be changed to an excused.

It is the responsibility of the student to obtain make-up work. Make-up work not turned in will be recorded as a "0". Work that was assigned before the absence will be due upon the day the student returns.

EXCUSED ABSENCES

Excused absences may be made up by the student. Although the teacher will assign make up work, it is the responsibility of the student to see that it is done. The student will have two days for each absent day to make up all assignments.

UNEXCUSED ABSENCES

Unexcused absences are given when the cause of absence is not acceptable by the office. Examples of unexcused absences are oversleeping, haircuts, working for hire, leaving the school without permission, or if the proper procedure for an excused absence (period or day) was not followed. Unexcused absences will be made up with a one-hour detention for each class period missed or with in-school suspension (ISS). Consequences for skipping school will be a minimum of one day in ISS. Students will be allowed to make up all work missed with no credit given. A student who accumulates more than three days of unexcused absences will require more serious punishment such as suspension or expulsion.

Tardy Policy

In an effort to emphasize being on time and being in school, all unexcused tardies exceed three in the semester period. Upon the fourth tardy in the semester a student's parent will be required to meet with the principal to develop a plan for getting the student to school on time and discuss consequences for the student. A student is considered tardy if he/she is not in their seat in the classroom at the bell.

PLANNED ABSENCE

Many times an absence is known in advance. Examples of planned absences are medical appointments, family trips with parents, work for family, and religious activities. All planned absences are excused if approved by the office prior to the absence. Families who know in advance that their student is going to be absent should notify the school office. Whenever possible, all homework should be made up before the day of absence.

PERMIT TO LEAVE THE BUILDING

No student will leave the school grounds during school hours without permission from the office or being accompanied by a teacher or staff member. Any student checking out of school during the day is required to have parental permission in the form of a note or a phone call from their parents before they will be allowed to check-out. Students are required to sign the check-out sheet in the office to be excused to leave the building. Any student who leaves the school without checking out will be unexcused. Students are required to sign the check-in sheet in the office upon returning to school.

STUDENT CONDUCT/DISCIPLINE: DISCIPLINE PROCEDURES

Students are expected to comply with Kiowa County Elementary School's core values—the KC Big 3—in order to decrease discipline referrals. As a result, any act which violates any student's right to an education will not be tolerated at Kiowa County Elementary School. Disobeying the orders of teachers or other school officials may be grounds for student suspension or expulsion. This insubordination generally involves the willful refusal to obey reasonable directives. When a student repeatedly disobeys a reasonable directive, the student will be suspended for one (1) day for the first offense, a minimum of two (2) days for the second, and a minimum of either long term suspension or expulsion for the third offense.

Teachers are responsible for discipline in the classroom and will make their policies available to all students. Any problem which cannot be solved immediately should be referred to the office for further attention.

In Kansas, a school district is vested with the authority to suspend or expel a student by statute. The law (K.S.A. 72-8901) authorizes suspension or expulsion for the following reasons:

- Willful violation of any published regulation for student conduct adopted or approved by the board of education;
- Conduct which substantially disrupts, impedes, or interferes with operation of the school;
- Conduct which endangers the safety of others at school, on school property, or at a school supervised activity;
- Conduct which substantially impinges upon or invades the rights of others at school, on school property, or at a school supervised activity;
- Conduct which would constitute the commission of a felony by an adult under state law;
- Conduct which would constitute the commission of a misdemeanor by an adult under state law, but only if such conduct occurs at school, on school property, or at a school supervised activity;
- Disobedience of an order of a teacher or other school authority when such disobedience can reasonably be anticipated to result in disorder, disruption or interference with school operation;
- Disobedience of an order of a teacher or other school authority when such disobedience can reasonably be anticipated to result in substantial and material impingement upon or invasion of the rights of others;

The district shall cooperate with law enforcement in security matters and shall, as required by law, report criminal acts committed at school, on school property or at school-sponsored events.

IN-SCHOOL SUSPENSION (ISS)

ISS is an alternative to removing students from the school setting because of behavioral problems or violation of certain school rules. The school day for an ISS student runs the duration of the school day. Students will not be allowed to participate in any extracurricular activity or practice on the day they have ISS. The intent of ISS is to discourage inappropriate behavior. To impress this intent, students may or may not be allowed to do any school-work or other activities while in ISS. Their activity may be restricted to sitting in isolation for the duration of the ISS. Students must pick up assignments in the office at the end of each day they are in ISS and return those assignments the following school day in order to get full credit. Any assignments given to students in ISS will be expected to be completed and turned in by the

end of the day in order to receive full credit. At the teacher's discretion, tests and labs can be made up on the day the student returns to the classroom. Any assignment not completed will be recorded as a zero or its equivalent. Absence from ISS due to illness or other emergency reasons will not relieve the students from fulfilling their required time.

OUT OF SCHOOL SUSPENSION (OSS)

When the circumstances warrant, a student may be suspended out of school. **A suspended student will not attend school activities, come into the school building, or be on school property.** Students will be allowed to make up all work during OSS with no credit given. Students will lose 10% per day on tests given while the student has OSS. The suspended student will be required to meet with the principal and/or counselor before being admitted back into school. Parents/guardians may be required to attend.

EXPULSION / LONG TERM SUSPENSION

A student that has been expelled or is put on long term suspension may not enter the school building, be on school property, or attend school activities. A student will receive a zero or its equivalent for the class work they missed during the time they were expelled or suspended. Any student being expelled or put on long term suspension is entitled to a due process hearing in accordance to district policy.

OFFICE DETENTION

The office will occasionally assign detention time as a method of correcting unacceptable behavior. The amount of detention time given is at the discretion of the principal.

DETENTIONS

Detentions may be assigned before or after school by the classroom teacher or the administrative team. Arrangements may be made to serve the detention at a different time due to transportation if deemed necessary by administration. Failure to serve detentions will result in further disciplinary actions.

BUILDING USE

COMPUTERS / INTERNET

USD 422 has established an Acceptable Use Policy to ensure the proper use of the district's computer and telecommunication resources in an efficient, effective, ethical, and lawful manner. Reasonable damage will be assessed based on consideration of the nature and extent of the damage, the cost of repair, and the circumstances surrounding the incident in which it occurred. Information concerning the cost and value of the school property involved will be given to the student and his/her parents.

OTHER ACTS, RIGHTS, STATEMENTS:

ACCOUNTABILITY STATEMENT

Students are ultimately accountable for achieving district defined outcomes; parents, teachers, administrators, Board of Education, and the school community are responsible for providing quality instruction, facilities, and support for students to achieve those standards.

A.D.A. NOTIFICATION

Notice of Parent and Student Rights under Section 504 of the Rehabilitation Act of 1973 and The Americans with Disabilities Act of 1990. Section 504 of the Rehabilitation Act of 1973, commonly referred to as "Section 504," and the Americans with Disabilities Act of 1990 known as the A.D.A., is a statute, which prohibits discrimination and assures equal educational opportunities and benefits to disabled students equal to those provided to the non-disabled.

The following is a description of student and parent rights provided under Section 504. The intent of this notification is to inform you about the school district's responsibilities under the Americans with Disabilities Act and Section 504.

You have the right to:

- Have your child take part in, and receive benefits from public education programs without discrimination based on a disability.
- Have the school district advise you as to your rights under federal law.
- Receive notice with respect to identification, evaluation, or placement of your child.
- Have your child receive a free appropriate public education. This includes the right to be educated with other students to the maximum extent appropriate. It also includes the right to have the school district make reasonable accommodations to allow your child an equal opportunity to participate in school and school related activities.

Anti-Bullying Policy

Prohibition of Bullying, Intimidation, and Harassment

The Kiowa County Board of Education (BOE) prohibits acts of bullying and harassment. The BOE has determined that a safe and civil environment in school is necessary for students to learn and achieve high academic standards. Bullying or harassment, like other disruptive or violent behaviors, is conduct that disrupts both a student's ability to learn and the school's ability to educate its students in a safe environment. The school has implemented a character education program to proactively address this issue. Two of our core values (treat others right and make smart decisions) and their corresponding performance goals give students, staff and parents a structure and a language to guide students away from the act of bullying. Demonstration of the KC Big 3 and refusing to tolerate bullying or harassment is expected of students, staff, faculty, volunteers in the district, as well as administrators to provide positive examples for student behavior.

The Kiowa County School District is committed to a safe and orderly educational environment for all students, employees, volunteers and patrons where there is freedom from bullying, intimidation, or harassment. "Bullying, harassment, or intimidation" means any intentional written, verbal, or physical act when the intentional written, verbal, or physical act:

- Is directed at one or more students
- Physically harms a student or damages the student's property; or
- Has the effect of substantially interfering with a student's education; or
- Is severe, persistent, or pervasive that it creates an intimidating or threatening education environment; or
- Has the effect of substantially disrupting the orderly operation of the school.

Harassment or bullying is any gesture or written, verbal, graphic, or physical act (including electronically transmitted acts - i.e. internet, cell phone, personal digital assistant (pda), or wireless hand held device that is reasonably perceived as being motivated either by any actual act or perceived characteristic, such as a race, color, religion, ancestry, national origin, gender, sexual orientation, gender identity and expression; or a mental, physical, or sensory disability or impairment; or by any other distinguishing characteristic.

Since bystander support of bullying or harassment can support these behaviors, the district prohibits both active and passive support for acts of bullying or harassment. The staff should encourage students to support students who walk away from these acts when they see them, constructively attempt to stop them, or report them to the designated authority.

The Kiowa County BOE requires its school administrators and counselors to develop and implement procedures that ensure both the appropriate consequences and responses to students who commit one or more acts of bullying or harassment.

The following factors shall be given full consideration by school administrators in the development of the procedures for determining appropriate consequences and remedial measures for each act of bullying or harassment.

Factors for Determining Consequences:

- Age, development, and maturity levels of the parties involved
- Degree of harm
- Surrounding circumstances
- Nature and severity of the behavior(s)
- Incidences of past or continuing pattern(s) of behavior
- Relationship between the parties involved
- Context in which the alleged incident(s) occurred

Counseling, corrective discipline, and/or referral to law enforcement will be used to change the behavior of the perpetrator and remediate the impact on the victim. This includes appropriate intervention(s), restoration of a positive climate, and support for victims and others impacted by the violation.

Consequences for a student who commits an act of bullying or harassment shall be determined on a case by case method with the final determination being decided by the building administrator(s).

Examples of Consequences:

- Admonishment
- Temporary removal from the classroom
- Loss of privileges
- Classroom detention
- Referral to administration
- In-school suspension for the student
- Out-of-school suspension
- Legal action
- Expulsion or termination

Examples of Remedial Measures:

- Framing the aggressive behavior as a failed attempt to solve a real problem or reach a goal. The adult assists the misbehaving student to find a better way to solve the problem or meet the goal.
- Restitution and restoration
- Conferencing (student-teacher, parent-teacher, etc.)
- Corrective instruction or other relevant learning or service experience
- Supportive discipline to increase accountability for the bullying offense
- Supportive interventions, including participation of an Interventional and referral Services team, peer mediation, etc.
- Behavioral assessment or evaluation

The Kiowa County BOE requires the building principal and/or the counselor to be responsible for determining whether an alleged act constitutes a violation of this policy. In doing so, the principal and/or counselor shall conduct a prompt, thorough, and complete investigation of each alleged incident.
