Dear Parents and Students,

I would like to take this opportunity to welcome you to the 2022-23 school year! It feels like kids were just leaving the building, but now it is time to welcome them back. We are looking forward to another great year to be a Maverick! We start this year with a unique challenge that many schools across our state are facing, teaching shortage. We have struggled finding teachers for Ag. Education and Band. Thankfully we have hired a band teacher, Drake Middleton, but he is not able to join us until 2nd Semester in January as he finishes up his degree obligations.

Enrollment will be located at the KCHS Office on the 2nd floor of the school, August 1st-4th from 8:00am to 3:00pm. We will again be using SignUpGenius to schedule enrollment appointments. Links to the schedule can be accessed on the USD 422 Website as well as USD 422 Facebook and Twitter pages. (The link can also be accessed by clicking here: [KCHS Enrollment.](#))

Please take time to look over your child's enrollment form and make necessary changes. **To help speed the process please have all documentation filled out fully.** If your child is entering our school for the first time, we will need a copy of your child's birth certificate, social security card, and immunization record so that copies can be made for permanent file. State law requires that students' immunizations must be current to attend school. Be sure that we have your most current address and phone number on file. Our goal is to continue to develop channels to communicate information to parents effectively.

***Information for school physicals:**

If your student is participating in a **physical education class only**, he/she may get a health release at the Kiowa County Health Department (723-2136) or at a clinic.

If your student will be participating in a **sports activity or cheerleading**, he/she will need a KSHSAA physical with a doctor of your choice. Greensburg Family Practice will be having physicals in Greensburg on July 27-28 from 5:30pm-8:30pm. Please call their office to make an appointment for a physical, 723-2127. If you attend on these days the cost is \$15. Physicals done outside of those dates will be charged the regular office rate. **To help speed the process please have all documentation filled out fully.**
